REJUVENATED  
ALUMNI WHIPS  
SECONDS 20-14

As a curtain-raiser to the Luther game on Thursday, Jan. 13, the alumni demonstrated that they still possessed a bit of baseball fire by handling the college "B" team a neat 20-14 victory.

The alumni led by their acting captain, Rev. M. Stange of Garrettsville, Ohio, comprehended that they had the best of training by making frequent substitutions. The "B" team boys, somewhat bewildered by the variety of baseball style confronting them, did find the hoop more of the time. Scoring for the alumni was well scattered among the fifteen men present.

Rev. Wm. Ulrich of Spring Valley, Minn., former St. Paul Luther star, broke the tie by scoring the first basket of the game.

Warburg joins

Ranks of Red Cross

In spite of the demands of home and extra-curricular activities, Warburg students have been contributing time to the work of the Waverly chapter of the Red Cross. Sometimes ago Mr. Zuber made an appeal for workers to make and make surgical dressings. The response was immediate and since then they have given a total of \$5.00.

Our students have not forgotten their fellow-men who are in the armed forces and they want to help them and others in the service in every way they can. The work of the Red Cross is essential to the welfare of our fighting men and there is urgent need for more helpers. Those at Warburg and elsewhere who are not yet engaged in this service ought to offer their assistance if it is at all possible.

OUR DAILY  
CONVOYATIONS

Leroy Miller spoke on "The Christian's Cross," basing his remarks on Math. 10:38. He told us how the cross was once regarded as a mark of deep degradation and shame, but because of Christ's death on the cross, it has become the glory of the Christian church throughout the ages. The Christian cross, he said, is a necessary mark of discipleship. Every Christian has his own particular cross. "Whether your cross be great or small, God will find it for you. Let us gladly bear our crosses."

Through the courtesy of Rev. Wagner, a student at Warburg, the students of Warburg College, Jan. 27. This film, produced by the American Presbyterian Mission in Lagos, Nigeria, described the effective work carried on by teachers Christ-loving missionaries in Africa, who by their tireless efforts are exceeding in stamping out the dreaded disease of leprosy.

Dr. Wederberg gave an outline of the post-war problems on Monday, Jan. 24. Free American people, he said, are intensely interested in what will happen after the war. After mentioning the numerous problems that will have to be dealt with after the war, he discussed the steps which peace must be made. Concerning the peace he said, "A just and lasting peace will not be guaranteed by the power of the United Nations, but by the power of the world." He stated, however, that the world is not yet ready to make a just and lasting peace. He stated that the world is not yet ready to make a just and lasting peace.
